FineArt InkJet Leather Album – Step by Step

Content “Cover Set”

2 album covers
1 flexible spine
2 book screws consisting of bolt head, tapped bush and four washers
2 sheets of interleaf paper
2 sheets of end paper

Content “Paper Set”

20 sheets of fine art inkjet paper
22 sheets of interleaf paper

1
Push the tapped bushes from the inside to the outside through the holes of the back cover.

2
Now fold the album cover – at first at the outer, than at the inner fold – to the right. Now, the tapped bushes will be standing upright.

3
Push the round holes of the flexible spine on the tapped bushes.

4
Adjust the book block and push it on the tapped bushes.

5
Fold the flexible spine to the inside.

6
Push the front cover on the tapped bushes; tighten the bolt heads just slightly.
